URGENT FOOD RECALL— Raspberry Crème Filled Cookie

Wine Country Gift Baskets is taking precautionary measures of voluntarily recalling all gift baskets produced with Acorn Baking Company raspberry crème filled cookies. During production, it was discovered that some packages of the raspberry crème filled cookies contained hazelnut crème filled cookies. Hazelnut is a tree nut and listed as one of the nine major food allergens. The allergen statement on each individual cookie package states *"May Contain Traces of Peanuts, Hazelnuts, Almonds, Sesame, Sulphites"* as these two cookies are produced in the same facility. People who have an allergy or severe sensitivity to tree nuts (hazelnuts) run the risk of serious or life-threatening allergic reaction if they consume these products.

Wine Country Gift Basket/Houdini Inc. is committed to providing only the highest quality of product and is taking this action out of an abundance of caution in the interest of consumer protection.

This recall only affects the Raspberry Crème filled cookies in gift baskets shipped from August 29, 2023 to November 21, 2023. There is no issue with any of the other food in the gift basket.

- Wine Country Gift Baskets has not experienced any problems or complaints about this product. No injuries or illnesses have been reported.
- If you have any raspberry crème filled cookies remaining, check to see if they have the correct cookie packaged inside. If the package contains a hazelnut crème filled cookie and anyone in your household is allergic to tree nuts, please discard them. Do not consume.
- If you gave the gift to someone, please let them know to check to see if they have the correct cookie packaged inside. If the package contains a hazelnut crème filled cookie and anyone in their household is allergic to tree nuts, please discard them. Do not consume.
- This is a voluntary recall as a precautionary measure.
- This voluntary recall is being conducted with the knowledge of the US Food and Drug Administration (FDA).
- No illness have been reported to date.
